

HETTIE MAYLAM

Senior Creative Producer / Director

London, UK · hettiemaylam@hotmail.co.uk · +44 (0)7896 568924

Senior Producer and Director with over 10 years of experience developing ideas and delivering original digital, broadcast and branded content across agency, editorial and production environments. A hands-on visual storyteller who spans the entire production process, from writing treatments and directing on set to edit producing final cuts. Proven track record of managing high-stakes international field deployments in sensitive environments, leading multi-disciplinary teams, and maximising production value on exceptionally tight budgets to drive commercial success and multi-platform audience growth.

Post & delivery: Edit producing · Editorial compliance & clearances · Post supervision · Budget optimisation

Languages: English (Native) · Spanish (Fluent) · French (Fluent) · Kurdish (Conversational)

PROFESSIONAL EXPERIENCE

Creative Senior Producer / Director

JAN 2026 – PRESENT

Freelance

- Executing a versatile mix of senior creative roles across high-profile digital and branded formats, seamlessly navigating pre-production, on-set direction and final edit delivery.
- Delivering exceptional, fast-turnaround content for tier-one global clients including Google DeepMind, rapidly translating complex visual briefs into high-end narrative edits.
- Collaborating fluidly with creative agencies and network production teams to inherit distressed or accelerated timelines and guarantee seamless project delivery.

Supervising Producer (Paternity Cover)

JAN 2025 – DEC 2025

CNBC – Digital Originals

- Spearheaded creative development and format creation for a premium slate of digital originals during a major network rebrand, overseeing production across global markets, tech and business themes.
- Successfully translated these newly launched digital formats for linear TV broadcast, ensuring premium cross-platform narrative consistency and editorial compliance.
- Field-produced live TV shoots on location, managing multi-camera crews, real-time broadcast delivery and high-pressure logistics.
- Directed and mentored multi-disciplinary units of producers, editors and motion designers across concurrent digital and TV production pipelines from concept to final delivery.

Programme Development Manager (Freelance)

JULY 2024 – DEC 2024

ITN

- Conceptualised, packaged and pitched high-value corporate and industry-focused programme treatments, converting original concepts into active commissions.
- Cultivated trusted partnerships with senior industry leaders, corporate stakeholders and subject matter experts to secure high-priority exclusive access.
- Formulated detailed investigative research and strategic concept blueprints to define long-form narrative direction.

Senior Creative Producer

JAN 2024 – JUL 2024

Brunswick Creative

- Guided the creative execution and production architecture of premium branded content and corporate film slates for FTSE 100 client portfolios.
- Produced and show-run complex live corporate events, including high-visibility financial results broadcasts.

- Led creative vision on set, directing talent, managing camera crews and establishing cinematic visuals under strict timelines.

Creative Producer

JUN 2022 – JAN 2024

Casual Films

- Formulated and directed high-yield branded campaigns for UK and global corporate clients, including delivering a headline £300,000+ multi-episode video series.
- Maximised production value on exceptionally lean cash flows, working to a strict 5% cash spend threshold through expert scheduling, optimised crew models and intelligent asset reuse.
- Owned total fiscal and project accountability, managing budgets, cross-functional crews, rapid post workflows and global client relations.
- Designed highly competitive creative responses and cinematic treatments for incoming corporate briefs.

Senior Multimedia Producer

MAR 2022 – JUN 2022

Engage Solutions Group

- Directed full-scale multimedia production frameworks for marketing operations and directly managed the content design team.
- Controlled all internal and external video content frameworks, physical studio logistics and technical production environments.

Multimedia Content Producer

OCT 2020 – MAR 2022

MAG (Mines Advisory Group)

- Produced, self-shot and directed human-centric documentary films and short stories across highly sensitive and politically complex international environments.
- Delivered emotionally resonant visual storytelling that directly accelerated global advocacy funding and institutional fundraising campaigns.
- Deployed to active field environments in Iraq and Lebanon, managing high-risk operational logistics, safety protocols, rigorous contributor sourcing and strict duty-of-care workflows.

Producer / Senior Producer (Industry News)

AUG 2018 – OCT 2020

ITN

- Produced documentary-style corporate content and industry news features, establishing a record of high production value under demanding network turnarounds.
- Coordinated location crews and managed end-to-end post-production workflows under tight constraints.

EARLIER CAREER

Freelance Production & Editorial (2014 – 2018): *ITN · The Guardian · MailOnline · HuffPost*
